Screenshots:

Tumblr: "<http://tumblr.com/kfluyizwnqi>" (To obtain this tumblr copy the link and then fill out the form which is at the bottom of this page) An official video was made by Ezio Auditore for this game, set to a Gudetama theme. The video can be found on YouTube. It has been taken down because it did not have a music license to use in it, but was later reuploaded by Vittorio Dentice.
